20th December 2011

Dear Lucy,

We just wanted to write and thank you formally for the wonderful Canapés party that you provided on the 12th December. Our guests and we had a wonderful time and there was general agreement that the canapés were among the finest that they had ever tasted.

Your attention to detail throughout was very impressive and gave us reassurance that everything would go smoothly on the night, as it did. The service was superb; many guests commented on how the staff were friendly and knowledgeable.

We trust that your business will continue to grow and I'm sure as more people experience your food and service, word of mouth recommendations will follow. As event organisers, you are most definitely on our list of caterers to recommend for clients' consideration. We look forward to working with you at some point in the future.

Many thanks once again. You helped make the party a fabulous success.

Kind regards,

Phil & Sandra Donoghue
